25X1

1. No parachute jumps have been observed over the Anklam (N 54/U 99) airfield since early September 1950. * Acrobatics were repeatedly done by up to six biplanes between 1 and 24 September 1950. The aircraft came from the north and returned in the same direction.
2. The debris of buildings and hangars was being removed from the landing field and piled on the edge of the field. The bomb craters on the field were being filled. **

* Comment. Individual parachute jumps were previously reported by . An air force unit is not believed to be in Anklam.

** Comment. No confirmed this work. The field is possibly to be used during air force maneuvers.
